THE  
CITY OF  
**AUBURN**  
GENERAL  
PLAN

MODIFIED FINAL EIR

ENVIRONMENTAL IMPACT REPORT

## *Explanation of Modified Final EIR*

*The City of Auburn General Plan Final EIR as certified on November 29, 1993 consists of:*

*Draft EIR April, 1993  
Final EIR August 20, 1993  
Addendum to Final EIR November 23, 1993*

*This Modified Final EIR compiles various revisions made to the Draft EIR within the Final EIR and Addendum as well as references to relevant Findings and Statements of Overriding Consideration.*

*The intent is to create a document which will be user friendly as a reference for future environmental review of individual projects and programs within the City.*
